**Subject:** Desert View Power Permit No. CB-OP 99-01 - 10 working day follow up to 48 hr. Notification Excess HCl Emissions. Annual Boiler MACT Compliance Test

Per the requirements of PSD Permit SE 87-01 Condition III.C.2.b, please find the attached letter that details a description of circumstances, and probable cause for an excess of HCl that occurred during the Annual Boiler MACT Performance Test. This email is a follow up to the 48 hr. notification that was sent to the EPA on July 24, 2020 (attached).

Below is a link to access the complete final Boiler MACT Compliance Test Results. This link will expire on August 7, 2020.
